

**LECTROTAB PRICE LIST: STANDARD ITEMS**

MODEL	DESCRIPTION	RETAIL
BU	Upper Bracket	\$ 4.00
BL	Lower Bracket	\$ 3.00
A-BK	Actuator, 2 1/4" (57mm) stroke, 8 sec. stroke time, 12 VDC, with brackets (6ft/1.8m wire)	\$ 199.00
A-BK-13	Actuator, 2 1/4" (57mm) stroke, 8 sec. stroke time, 12 VDC, with brackets (23ft/7m wire)	\$ 210.00
B-BK	Actuator, 2 1/4" (57mm) stroke, 8 sec. stroke time, 24 VDC, with brackets (6ft/1.8m wire)	\$ 199.00
B-BK-13	Actuator, 2 1/4" (57mm) stroke, 8 sec. stroke time, 24 VDC, with brackets (23ft/7m wire)	\$ 210.00
C-BK	Actuator, 2 1/4" (57mm) stroke, 4 sec. stroke time, 12 VDC, with brackets (6ft/1.8m wire)	\$ 199.00
C-BK-13	Actuator, 2 1/4" (57mm) stroke, 4 sec. stroke time, 12 VDC, with brackets (23ft/7m wire)	\$ 210.00
D-BK	Actuator, 2 1/4" (57mm) stroke, 4 sec. stroke time, 24 VDC, with brackets (6ft/1.8m wire)	\$ 199.00
S-BK	Short Actuator, 1.5" stroke, 12 VDC, with brackets (6ft/1.8m wire)	\$ 214.00
TI-8-B	Trim Tab Position Indicator for 8 second Actuators, Black Bezel	\$ 184.00
TI-8-S	Trim Tab Position Indicator for 8 second Actuators, Stainless Bezel	\$ 184.00
WTR-111	Wireless Control System, Single Station 12vdc only ( includes 1 Transmitter and 1 Receiver )	\$ 398.00
WTR-121	Wireless Control System, Dual Station 12vdc only ( includes 2 Transmitters and 1 Receiver )	\$ 597.00
WTR-211	Wireless Control System 24vdc only ( includes 1 Transmitter and 1 Receiver )	\$ 398.00
WTR-221	Wireless Control System, Dual Station 24vdc only ( includes 2 Transmitters and 1 Receiver )	\$ 597.00
SETR-60	"OVAL" Control Switch w/Indicators & Tab Retract Feature & Night-time dimming: GRAY	\$ 323.00
SETR-61	"OVAL" Control Switch w/Indicators & Tab Retract Feature & Night-time dimming: BLACK	\$ 323.00
SR	For SETR Dual Station applications, order two SR cables (20"/.5m) to connect to both SETR's.	\$ 4.00
SAF-S	Switch assembly, dual flat rocker switches, shorting type for single control station	\$ 55.00
SAB-S	Switch assembly, dual bat handle rocker switches, shorting type for single control station	\$ 55.00
SAF-NS	Switch assembly, dual flat rocker switches, non-shorting for dual control station	\$ 55.00
SAB-NS	Switch assembly, dual bat handle rocker switches, non-shorting for dual control station	\$ 55.00
SF-S	Individual flat rocker switch, shorting	\$ 19.00
SB-S	Individual bat handle rocker switch, shorting	\$ 19.00
SF-NS	Individual flat rocker switch, non-shorting for dual control station	\$ 19.00
SB-NS	Individual bat handle rocker switch, non-shorting for dual control station	\$ 19.00
HK-W	Hardware kit for use with WIRELESS kits	\$ 3.00
HK	Hardware kit; contains terminal strip and screws for upper brackets and switch assy.	\$ 6.00
W4-20	Interconnecting wire, switch assembly-to-actuator, 4-cond., AWG 14, (20ft/6.1m) - Kit Standard	\$ 43.00
W4-30	Interconnecting wire, switch assembly-to-actuator, 4-cond., AWG 14, (30ft/9.1m)	\$ 65.00
W4-40	Interconnecting wire, switch assembly-to-actuator, 4-cond., AWG 14, (40ft/12.2m)	\$ 86.00

**Kits**

"KAF" Kits include: (2) actuators (A,B,C or D-BK) with upper & lower brackets, (2) standard tabs, (1) switch assembly SAF-S, (20ft/6m) of interconnect wire & (1) hardware kit containing terminal strip & screws for upper brackets & sw. assy.

"XKAF" Kits include: (2) actuators (A, B or C-BK-13) with upper & lower brackets, (2) standard tabs, (1) switch assy. SAF-S and (23ft/7m) of cable extending from actuator. Longer cable lengths extending from actuator are available. The "XKAF" kit retail price is **\$27.00** less than the "K" kit retail price.

Standard Tabs are stainless

append an **A** for Alloy Series Tabs

Kit Model # Example:      **K**      **A**      **F**      **9**      **x**      **12**      **(A)**

**K** designates complete kit or **XK** kit (see "**XK**" kits)
**A B C D or S**  
Actuator
**SAF or SAB**  
Switch Assy.
**9" or 12"**  
Tab Chord
**9, 12, 18, 24, 30, 36 or 42"**  
Tab Width

## UPGRADE : Control Switch Upgrades

**SETR Switch** *pictured*

If you would like to order your kit with the **SETR** control, please add the following to either kit pricing shown below.

**Please add: \$ 268.00**

SETR-60 Gray Oval Control

**WIRELESS**

If you would like to order your kit with the **WIRELESS** control, please add the following to the "KAF" kit pricing shown below.

**Please add: \$ 294.00** to "KAF" price (Dual Station add \$493)

append an **A** for Alloy Series Tabs

and reference your kit as follows

Kit Model # Example:      **K**      **A**      **S**      **12**      **x**      **24**      **(A)**

**K** designates complete kit or **XK** kit (see "**XK**" kits)
**A B C D or S**  
Actuator
**S - Grey SETR**  
**SB - Black SETR**  
**W - WIRELESS**
**9" or 12"**  
Tab Chord
**9, 12, 18, 24, 30, 36 or 42"**  
Tab Width

## SUMMARY - BOAT KIT PRICING with option of ( Stainless Steel or Alloy Series Tabs )

"KAF" Kits include: (2) actuators (A,B,C or D-BK) with upper & lower brackets, (2) standard tabs, (1) switch assembly (SAF-S), (20ft/6m) of interconnect wire & (1) hardware kit containing terminal strip & screws for upper brackets & sw. assy.

"XKAF" Kits include: (2) actuators (A, B or C-BK-13) with upper & lower brackets, (2) standard tabs, (1) switch assembly (SAF-S) and (23ft/7m) of cable extending from actuator. Longer cable lengths extending from actuator are available upon request.

upgrade **SETR** Add \$ 268.00 to either RETAIL price listed below for (S) SETR-60 Gray or (SB)SETR-61 Black Control

upgrade **WIRELESS** Add \$ 294.00 to the "KAF" RETAIL price listed below for (W) Wireless Control (dual station add \$493)

WITH stainless tabs		DESCRIPTION <small>1st # is chord length, hinge to trailing edge 2nd # is tab width, across the transom</small>	WITH ALLOY SERIES tabs
